

## Statement of Compliance to UK & EU Russia Sanctions

To Whom it May Concern,

In our commitment to transparency and compliance, Abtech wishes to reassure you regarding the origin and composition of the goods we supply.

Our products do not originate from Russia, and do not incorporate any inputs originating in Russia, especially those specified in various regulatory frameworks. These include Annex XVII stipulated in Article 3g paragraph 1. d) of the Council Regulation (EU) 833/2014, Art. 14a paragraph 2 of Swiss regulation 946.231.176.72, UK Regulation 461A and 461B, and Schedule 3B of The Russia (Sanctions) (EU Exit) Regulations 2019. Additionally, we adhere to the Norwegian directive § Section 17e, with a particular focus on the prohibition related to iron and steel products as listed in Annex XVII.

We understand the importance of compliance with international regulations, and we want to assure you that Abtech is dedicated to upholding the highest standards. We are committed in our promise to provide you goods that are free from any worries regarding the specified limitations.

Should you have any further enquiries or require additional information, please do not hesitate to contact our dedicated customer service team (customerservice@abtech.co.uk).

Regards,

*Gareth Bruce*
